The Op Personnel Exam that you used is out dated. It has been changed and is on our web site. However, the biggest change was to remove certain questions. I was able to cross walk your exam with the new one and you scored 100%. I will send you an official letter of license and it will be good for two years (until 8/2014). Be sure and check the web site at that time, as legislative changes may occur before then.

Congratulations!

Pam
